Lioncrest Global forms strategic partnership with Pier99 Capital

Lioncrest Global and Pier99 Capital have today signed a strategic cooperation agreement which will allow the two firms to work jointly on bringing attractive and truly unique venture capital and private equity deals to their respective clients.

Pier99 Capital is a boutique mid-market cross-border M&A and investment firm bridging Europe and China, with offices in both Zurich and Hong Kong. It connects European investors and firms, which have cutting-edge technologies and offerings, with Chinese companies and investors, who offer market access and capital or who look for attractive overseas expansion opportunities.

Daniel Adamec, Founder and CEO of Pier99 Capital said: "Lioncrest Global has a unique pedigree with Managing Partners who have a proven track record of serving Ultra High-Net-Worths, entrepreneurs and Family Offices in Greater China which goes back over 20 years. As such they are an ideal partner for us in our quest to connect the best of Europe with the best of China."

Johan Riddergard, Co-Founder and Managing Partner of Lioncrest Global said: "Pier99 Capital and Lioncrest Global complement each other really well. While Pier99 Capital is pre-dominantly based out of Europe with a strong pan-European network, Lioncrest Global is focused on finding unique and attractive investment opportunities anywhere and everywhere and offer them to Asian clients."
